5 RANGER | J7 Training

BLUE SLATES

REQUESTS Non-Combat

5 RB: Logistics Request

"*Hello Zero. This is …C/S.. Resupply Request. Over*"

A	**WHAT**	What do you need? Ammo? Medical? Grenades? AT? Refuel? Repair?	*"556 mags, 762 belts, Medical" Do not ask for specific numbers of items. I.e "25 556 mags"* *Just state the items. Name the AT system or Specific equipment.*
B	**WHEN**	When do you need it	*Time 5 Minutes"* *Be realistic, ELS must travel*
C	**WHERE**	Where do you want it	*GRID: 123456, By rock formation marked on map"*
D	**SECURITY**	Is the area secure?	*Are you not in contact? Are you in sporadic contact? Are you taking heavy fire?*

Logistics Top Tips:

- Ensure the resupply area is secure
- Ensure the resupply is suitable for Logistics Vehicles
- Ensure any obstacles are noted before Logistics arrival
- Be prepared to mark the site with smoke (not white), Strobe, Laser etc if requested.

5RB: ISTAR Request

"Hello Zero. This is…C/S.. Request ISTAR. Over"

A	**Own Location**	*"My Grid: 123456"*
B	**Target Location**	*"Recce GRID:0412, Break, GRID:0512 East to West" or "Building in GRID:0513"*
C	**Why you want it**	*"Recce GRID:0412, Break, GRID:0512 East to West" or "Building in GRID:0513"*
"End of Mission"		*Mission has been completed / effects achieved*
"STOP, STOP, STOP"		*To halt an ISTAR Mission*

ISTAR: **I**ntelligence, **S**urveillance, **T**arget **A**cquisition and **R**econnaissance

Top Tips:

- Have essential information filled out before calling Zero
- Speak slowly and clearly
- Be prepared to mark your own position (not with white smoke)
- Be prepared to mark EN location on request if known

5RB: Air Extraction Request

"Hello Zero. This is…C/S.. Request Extract. Over"

A	**Own Location**	*"My Grid: 123456"*
B	**HLS location**	*HLS at GRID: 123456*
C	**Mark**	*How is the position marked? Map marker? Coloured smoke? Chemlight? Flare?*
D	**Security**	*Is the site secure? Under fire?*
"STOP, STOP, STOP"		*To halt the Request and wave the craft off*

Top Tips:

- Have essential information filled out before calling Zero
- Speak slowly and clearly
- Be prepared to mark the position when requested by Zero
- If HLS situation changes, ensure to communicate this.
