

5 RANGER | J7 Training

GREEN SLATES

Reports

Sighting Template:

5 RB: SIGHTING REPORT		
<i>"Hello Zero. This is...(C/S).. Sighting Report. Over."</i>		
WHAT	What have you seen?	Specifics of enemy force and size. What are they doing?
WHERE	Where is it?	Use full Grid Reference
WHEN	When did you see it?	When did this happen? 2minutes? Now? Time in minutes
WHAT	What are you doing?	Observing? Preparing an Ambush? Requesting support?
Sighting Report Top Tips: • Stay in Cover! • Try to have all of the essential information filled in <i>before</i> calling Zero. • Use an eight-figure Grid Reference for the enemy • Ensure your Course of Action (CoA) is agreed with Zero		

Contact Template:

5 RB: CONTACT REPORT (SALTA)		
Initial: <i>"Hello Zero. This is...(C/S).. CONTACT. Wait Out."</i>		
S	Strength of the Enemy Force	How big is the enemy? How many Vehicles?
A	Activity of Enemy Force	What Happened? Did you engage? Did they?
L	Location	6 Figure Grid of contact area
T	Time	Time of the contact
A	Action of Friendly Force	What did you do? Intent to do about it?

5 RB: CONTACT REPORT (SALTA)

En **S**trength, En **A**ctivity, **L**ocation, **T**ime of Contact, Friendly **A**ctions

Simple Example: *"Hello Zero, this is 1-1. SALTA. Enemy Section with small arms. Patrolling to our East. Grid 123456. Time: Five minutes ago. Engaged and destroyed enemy force. Am holding in defensive posture at GR 124457. ACE to follow. Out."*

Go to **ACE SLATE...**

ACE Template:

5RB: ACE REPORT		
<i>"Hello Zero. This is...(C/S).. ACE Report. Over."</i>		
A	Ammunition State	Small Arms: 556 Rifles, 762 guns, 40mm grenades, Sidearms
C	Casualty State	State of current casualties across the element
E	Equipment State	AT, Medical, Mine Clearing, Grenades and other specialist kit.
You should give Zero your intent such as: Re-supply, Holding in place, Continuing with tasking, Awaiting further tasking, Awaiting Orders etc.If resupplying, go to the Resupply Slate.		
AMMO: RED : (1-2 Mags or 100-200 Link). AMBER : (3-6 Mags or 3-500 Link). GREEN : 7+ Mags or 600+ Link. BLACK : (Zero)		
CASUALTY: RED : (Severe Injury URGENT) AMBER : (Patrol Medic treats) GREEN : (OK)		
EQUIPMENT: RED : (NOT Combat Effective) AMBER : (Enough for one engagement) GREEN : (As issued) BLACK (0)		
Above is sometimes replaced by the simpler and less detailed CASSAMM system:		
MNEUMONIC & MEANINGS:		
CAS : Casualty Status: See above for colours		
AMM : Ammunition Status: See above for colours		
ELS Supply Requests to Zero: What, When, Where, Security		
AMBER means <u>ONE MORE FIGHT OF AMMUNITION LEFT</u>
